Mitas

Mitas mousse is designed to perfectly fit Mitas motocross, enduro, extreme enduro and rally tyres. Its development was supported by top off-road riders, who tested the product on various surfaces.

Mitas mousse is available in several 16 to 21-inch sizes and four different versions:

- *Standard* version for motocross and cross country.
- *Soft* version for enduro and extreme enduro.
- *Extreme* version for technical extreme enduro sections.
- *Rally* version for rally races.

Shelf-life period for different compounds:

- *Standard & Rally*: 12 months from production date
- *Soft & Extreme*: 8 months from production date

“Ready to use from” for different compounds:

- *Standard & Rally*: after two months from production date
- *Soft*: after one month from production date
- *Extreme*: ready for immediate use
